ADULT & ADVANCED ADULT COMPETITIONS
-------------------------------------

An Adult dancer is defined as any dancer who started Irish dancing at the age of 18 or older OR any dancer 18 or older who has not competed in at least five years in a youth competition AND has never placed in the top three in a youth Preliminary championship competition of more than five competitors. Dancers who are in the Adult categories cannot enter any competition other than Adult specified competitions. If a dancer chooses to compete in the youth/& over category after previously competing in the Adult competitions, they are required to abstain from participating in Adult competitions for a continuous period of five years.

To progress in Adult Grade levels, dancers are to follow the same progression rules as used in youth/& over categories or progress with teacher's permission.

A dancer moves into the Adult Championship level by winning 1st place in reel, slip jig, treble jig, and hornpipe in Adult Prizewinner competitions or by their teacher's permission. When a dancer begins competing in the Adult Championship level, they may not compete in Adult Grades.

Upon winning two Adult Championships, the dancer may progress on to Advanced Adult Preliminary Championship at teacher's discretion.

#### ADVANCED ADULT COMPETITIONS

An Advanced Adult dancer is anyone ages 18 or older who has previously placed in the top three of a Preliminary championship or competed in Open championship levels in the youth/& over levels regardless of when the competitor was active.

An Advanced Adult Preliminary dancer is defined as any dancer over the age of 18 who has previously placed in the top three of a youth Preliminary championship competition of five or more competitors or an adult dancer who has won two Adult Championship competitions at a feis. Teachers may also use their discretion to move a dancer to Advanced Adult Preliminary. When a dancer begins competing in the Advanced Adult Preliminary level, they may not also compete in Adult Championship (unless a feis opts to combine competitions) nor in youth/& over competitions.

An Advanced Adult Open level dancer is defined as any dancer over the age of 18 who has previously competed in a youth/& over open championship competition or has won two Advanced Adult Preliminary competitions at a feis. Teachers may also use their discretion to move a dancer to Advanced Adult Open. When a dancer begins competing in the Advanced Adult Open Championship level, they may not also compete in Adult Championship or Advanced Adult Preliminary Championship (unless a feis opts to combine competitions), nor in youth/& over competitions.

A dancer competing in Adult or Advanced Adult may not compete in the youth/& over category. Once a dancer begins competing in Advanced Adult, they may not return to youth/& over.

#### ADULT/ADVANCED ADULT MUSIC TEMPO and DANCE LENGTH

IN GRADE LEVEL COMPETITIONS, HARD SHOES DANCES CAN BE DONE AT EITHER TRADITIONAL SPEED OR SLOW SPEED. All grade level dances are 32 bars in length.

For Adult Championship, Advanced Adult Preliminary Championship, and Advanced Adult Open Championships, dancers will perform: 48 bars of reel or 40 bars of slip jig, 40 bars of the hornpipe or 48 bars of the treble jig. Advanced Adult Open Championships dancers will perform a Set Dance of choice for their third round. When a feis offers a third round for Adult or Advanced Adult Preliminary Championship, Adult Championship dancers will perform a traditional set dance, and Advanced Adult Preliminary will perform a Set Dance of choice.

#### COMBINING COMPETITIONS

Where there are fewer than five entries in either Advanced Adult competition (Advanced Adult PC or Advanced Adult OC) or fewer than five entries in Adult championship competitions at a feis, the feis may choose to run these competitions as one combined competition, and the feis may offer separated/disaggregated results for Advanced Adult and Adult dancers. When a feis opts to combine these competitions, first combine Advanced Adult PC and Advanced Adult OC competitions if either or both have fewer than five registered competitors, before combining the joint Advanced Adult PC/OC competition with Adult Championship.

In cases where a Feis elects to split a competition due to a large entry, the split must be done by birth date age in the same manner as the North American Championships. Dancers will perform 48 bars of the reel or 40 bars of the slip jig <b>and</b> 40 bars of the hornpipe or 48 bars of the treble jig. Preliminary Championship will be judged and scored by all 3 judges. When a third win is achieved over several calendar years, the dancer must move to Open Championship at their next Feis. Only in the case of back-to-back feiseanna, in which the third win on the first day will not change the dancer's status for the second Feis. Placing in a regional or national oireachtas does not change the status of a competitor. Dancers will perform: 48 bars of reel or 40 bars of slip jig, 40 bars of the hornpipe or 48 bars of the treble jig, and a set dance.

**Competitions will be combined in groups of 5 when possible per rules (see Championship rules below).**

## ADULT & ADVANCED ADULT COMPETITIONS

An Adult dancer is defined as any dancer who started Irish dancing at the age of 18 or older OR any dancer 18 or older who has not competed in at least five years in a youth competition AND has never placed in the top three in a youth Preliminary championship competition of more than five competitors. Dancers who are in the Adult categories cannot enter any competition other than Adult specified competitions. If a dancer chooses to compete in the youth/& over category after previously competing in the Adult competitions, they are required to abstain from participating in Adult competitions for a continuous period of five years.

To progress in Adult Grade levels, dancers are to follow the same progression rules as used in youth/& over categories or progress with teacher's permission.

A dancer moves into the Adult Championship level by winning 1st place in reel, slip jig, treble jig, and hornpipe in Adult Prizewinner competitions or by their teacher's permission. When a dancer begins competing in the Adult Championship level, they may not compete in Adult Grades.

Upon winning two Adult Championships, the dancer may progress on to Advanced Adult Preliminary Championship at teacher's discretion.

### ADVANCED ADULT COMPETITIONS

An Advanced Adult dancer is anyone ages 18 or older who has previously placed in the top three of a Preliminary championship or competed in Open championship levels in the youth/& over levels regardless of when the competitor was active.

An Advanced Adult Preliminary dancer is defined as any dancer over the age of 18 who has previously placed in the top three of a youth Preliminary championship competition of five or more competitors or an adult dancer who has won two Adult Championship competitions at a feis. Teachers may also use their discretion to move a dancer to Advanced Adult Preliminary. When a dancer begins competing in the Advanced Adult Preliminary level, they may not also compete in Adult Championship (unless a feis opts to combine competitions) nor in youth/& over competitions.

An Advanced Adult Open level dancer is defined as any dancer over the age of 18 who has previously competed in a youth/& over open championship competition or has won two Advanced Adult Preliminary competitions at a feis. Teachers may also use their discretion to move a dancer to Advanced Adult Open. When a dancer begins competing in the

Advanced Adult Open Championship level, they may not also compete in Adult Championship or Advanced Adult Preliminary Championship (unless a feis opts to combine competitions), nor in youth/& over competitions.

A dancer competing in Adult or Advanced Adult may not compete in the youth/& over category. Once a dancer begins competing in Advanced Adult, they may not return to youth/& over.

#### ADULT/ADVANCED ADULT MUSIC TEMPO and DANCE LENGTH

IN GRADE LEVEL COMPETITIONS, HARD SHOES DANCES CAN BE DONE AT EITHER TRADITIONAL SPEED OR SLOW SPEED. All grade level dances are 32 bars in length.

For Adult Championship, Advanced Adult Preliminary Championship, and Advanced Adult Open Championships, dancers will perform: 48 bars of reel or 40 bars of slip jig, 40 bars of the hornpipe or 48 bars of the treble jig. Advanced Adult Open Championships dancers will perform a Set Dance of choice for their third round. When a feis offers a third round for Adult or Advanced Adult Preliminary Championship, Adult Championship dancers will perform a traditional set dance, and Advanced Adult Preliminary will perform a Set Dance of choice.

#### COMBINING COMPETITIONS

Where there are fewer than five entries in either Advanced Adult competition (Advanced Adult PC or Advanced Adult OC) or fewer than five entries in Adult championship competitions at a feis, the feis may choose to run these competitions as one combined competition, and the feis may offer separated/disaggregated results for Advanced Adult and Adult dancers. When a feis opts to combine these competitions, first combine Advanced Adult PC and Advanced Adult OC competitions if either or both have fewer than five registered competitors, before combining the joint Advanced Adult PC/OC competition with Adult Championship.

2. 100 & 200 level competitions, age under 8 and below, cannot be combined with other age groups. Boys and girls may be combined in the same age groups. 100 & 200 level competitions under 9 & above may be combined a max of 3 age groups at the discretion of the feis. If the combination of 2 age groups makes a legal competition of 5 dancers, then only 2 age groups will be combined. Passed Jan 2020.
3. Combining male and female dancers in any age category is left to the discretion of each region of the IDTANA. Competitions may be combined with the next higher age group if there are less than 5 competitors entered. Competitions can only be combined up (or down) one age group.
4. Boys and girls CANNOT be combined EXCEPT according to the following:
  - a. All boys' competitions below Preliminary Championships shall be initially entered in single year age groups;
    - i. groups;
  - b. If there are less than 5 entries in any one age group, combination of the competitions shall be done according to the following rules, in order of preferential application:
    - 1) Into double age groups, all boy or all girl; and
    - 2) If a double age group does not create 5 or more entries, the boys shall instead be combined into the corresponding single year girls' age group; and
    - 3) Any competitions so combined shall be run as a single competition.

The Mid-America syllabus is to contain all grade categories. A Feis Committee may combine two or three consecutive age categories in the highest of the age categories within that grade when less than five (5) competitors are entered. (IDTAMA, 1/1/17)

5. Each region may determine the system for moving dancers from one grade to another, as they see appropriate for their region. The syllabus is to contain all grade categories. A Feis Committee may combine two consecutive age categories into the higher of the two categories within that grade when less than five (5) competitors are entered (see Rule 2, above). Competitors have the option to remain in the same category for the remainder of the Feis year. A dancer, at the discretion of the teacher, may move into the next Grade (not Open Championships) without satisfying the requirements. However, once a dancer competes in the higher level, they can never move back to a lower category, (except as outlined in Rule 1, above).

## 6. Grade Levels

**Beginner 1 (Beginner) Grade:** A beginner is a competitor who has not yet taken a full year of Irish Dance lessons, thereby giving beginners a full year with such status. A Beginner must move into the Beginner 2/Advanced Beginner category the next year.

**Beginner 2 (Advanced Beginner) Grade:** An advanced beginner who wins 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> place will advance to the Novice category in that particular dance. Competition dances are reel, light jig, slip jig, traditional treble jig and traditional hornpipe, as a minimum requirement.

**Novice Grade:** A novice who wins a 1<sup>st</sup> place will advance to the Open (Prizewinner) category in that particular dance.

**Open Prizewinner Grade:** A competitor who does not qualify as a beginner, advanced beginner or as a novice.

**Adult Beginner:** An adult beginner is a competitor who never took Irish dancing lessons as a juvenile and is over 18 years of age.

7. First Feis (if offered), Beginner 1, and Beginner 2 are required to dance at traditional speeds. Novice and Open/Prizewinner dancers may choose between traditional and Oireachtas speeds.

#### CHAMPIONSHIP LEVEL RULES

1. First place winners in the Open Championship category cannot return to a Preliminary or Open (Prizewinner) competition. Placing in a Regional or National Oireachtas does not change the status of a competitor. A dancer who moves into open championship must stay a minimum of 2 years. If after 2 years they have not placed they are allowed to return to preliminary. An open championship dancer who places is not allowed to return to preliminary until 2 years after their last placement. The regional syllabus where the Feis is being held may have different qualifications for entry.
2. Entrants in any Championship event may not enter in any other (Grade) events, but may enter in Figure Dances. Entrants in Championships should specify, on the entry form, their choice of soft shoe, hard shoe, and set dance. Entrants cannot change competition or category on the day of the competition.

- a. Dancers must qualify for Open Championship via the method now in place for Preliminary Championship, i.e. three 1st place wins.
  - b. Dancers must compete in the preliminary championship competition in order to qualify for open championship
  - c. The regional syllabus where the Feis is being held may have different qualifications for entry.
3. Preliminary Championships are open to those who, at any NAFC recognized Feis:
- a. A dancer who wins 1st place in each of the Open Prizewinner dances (reel, slip-jig, treble jig, and hornpipe) can move into Preliminary Championships with teacher's permission (IDTAMA).
  - b. Have never won 1st, 2nd or 3rd in Open Championship. A Preliminary Championship dancer who wins three first place awards will move on to Open Championship at the next Feis they enter, or as soon as the third win is achieved, in any age category, in the following years. Only in the case of back-to-back feiseanna (successive days), in which case the win in the first Feis will not change the dancer's status for the second Feis. A dancer is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men), and a hard shoe dance. A Feis can opt to offer either a) a set dance or b) a jig/hornpipe.
  - c. The regional syllabus where the Feis is being held may have different qualifications for entry.
4. A Mid-America region feis may choose to combine boys and girls in Open Championship competitions when there are less than 5 dancers registered in a particular age category. (IDTAMA, 1/1/17)
- When there are less than five dancers registered in a particular Open Championship age category, the boys and girls WILL be combined.
5. The boys' open championship age categories will match the girls' open championship age categories. (IDTAMA, 1/1/17)
6. Any competitor in Preliminary or Open Championship must have a minimum of 8 rotations or 10 minutes between their rounds. (IDTAMA, 1/1/17)

## **ADJUDICATORS & MUSICIANS**

1. Musicians and adjudicators cannot be approached during a competition by anyone except the Feis Committee. No one can approach them while a competitor is performing.
2. Musicians employed by the Feis Committee will be solely under the direction and management of the Feis Committee on Feis day.
3. In matters pertaining to adjudication, the decision of the adjudicators is final.
4. Adjudicators are to monitor the quality of music at the stage(s) to which they are assigned.
5. Championships and Preliminary Championships require at least three adjudicators.
6. Each Feis is required to list their adjudicators on their syllabus and/or website at least three weeks before the close on entries, one-third of which are to be from outside the region where the Feis is being held.

## **COSTUME RULES**

1. Make up is prohibited on a dancer in the first three grades (First Feis, Beginner I and Beginner 2 or their equivalent) up to and including the under 12 age group. Make-up (including false eyelashes and tanner on the

face) is not permitted for dancers, in either solo or team competitions, up to and including the Under 10 age group.

Clarification: Both make up rules refer to the age group of the competition, not the actual age of the dancer. For example, 9 year old dancers, competing in a team that is entered Under 12, may wear make-up or at a feis where the youngest Open Championship age group is Under 11, then all dancers in that competition may wear make-up. These rules must also be announced from side stage at the event. Participants should be reminded that should they be in breach of these rules and be required to remove their make-up, that they risk missing their rotation in the competition.

2. Any competitor found to be using artificial carriage aids and subsequently refuses to remove same, will be subject to disqualification from that particular competition. Medically prescribed aids (proof of which may be required) will be exempt from this rule.
3. Competitors in girls' competitions at the First Feis, Beginner 1 and Beginner 2 Grade will wear only the competitor's dancing school costume or a skirt/pants and top.
4. Length of costume must adhere to principles of modesty and enable dancers to safely execute their movements and steps. Adjudicators who determine a costume to be too short or to lack modesty may ask a competitor to wear black tights (of a denier not less than 70 percent) in order to continue in the competition. For competitions adjudicated by a panel of more than one adjudicator, all adjudicators on the panel must agree to asking the dancer to wear tights. Effective March 1, 2022.
5. Appropriate undergarments covering the midriff must be worn. Undergarments must provide full coverage. Dancers wearing undergarments that do not cover the areas of the body as in the illustrated example will be asked to put on black tights of a denier of not less than 70%. This is monitored by the adjudicator. For competitions adjudicated by a panel of more than one adjudicator, all adjudicators on the panel must agree to ask the dancer to put on tights. Effective March 1, 2022
6. **MODESTY RULE- Changing costumes, dressing and undressing of dancers will not be acceptable in the halls or public areas. For the sake of modesty and in the interests of safety of young people, dancers will not be permitted to walk around the feis scantily dressed.**
